# General Solo Dancing Rules

- **All grade & section conditions as per the approved 2023/4 TIDANZ Grading Syllabus.**
- **Dancers are permitted to entry a maximum of 2 grades provided they are eligible as per the TIDANZ Grading Syllabus.**
- **Intermediate, Open & Adult B dancers will receive a copy of their results at the end of the event.**
- **Novice, Primary & Adult A dancers will receive a copy of their City of Sails Special results at the end of the event.**
- **A family discount of 10% will apply to families with three (3) or more dancers on solo entry total only.**

- In all competitions, competitors must commence their dance in the first two rounds from the designated starting points. In the set dance round a competitor may choose his/her starting point. \*\*
- All competitors in the Intermediate and Open sections dance all 3 dances. (There will be no recall in any section)
- All sections up to Under 12 will dance 3 at a time for their first round.
- Dancers in the Under 7 Mixed Section will dance round 3 (Single Jig), 3 at a time. Dancers in the Under 8 and Under 9 Sections will dance round 3 (the traditional set dance), 2 at a time.
- All solo sections Over 8 years will commence with the Heavy Round. Solo sections Under 8 years will commence with the Light Jig Round, then Single reel, then Single jig or Traditional set.
- All sections will commence at the lowest number and continue numerically in all age groups. The draw for the start of rounds two and three will be printed in the program.
- It is recommended that entrants in all the over 9-year sections perform an Open set dance, however a traditional set dance is permitted in the syllabus timing for that section.
- After each dance, competitors are to return to the pre-registration/marshalling area.
- When competitors register, they are to confirm the name of their Set Dance and the speed.
- If a competitor arrives late and their section is under way, if they have not missed their position in the section and therefore are not out of numerical order they are permitted to dance. If, however, they have missed their position, they are not permitted to dance.
- Dancers who begin to dance before or after the stipulated 8 bar introduction in any round will automatically receive a ZERO for that round from all adjudicators.
- Where a dancer fails to complete his / her performance in any given round, that dancer is to be given ZERO marks by each adjudicator for that round.
- Permitted Set Dances and Speeds are as per CLRG & TIDANZ.

\*\*Except for the Mullingar & Inchicore Cups:

- Competitors must dance 8 bars on the right foot followed by 8 bars on the left foot. (this means if the soft shoe lead is 2 right feet, this step can not be danced).
- Competitors must commence their step from the designated line on the stage.
- Competitors who commence their step before or after the appropriate time will automatically receive ZERO marks for that step.
- BLACK OUT IS NOT REQUIRED for these sections.

# General Team Dancing Rules

1. Schools may combine for Figure Dancing where one school has insufficient numbers to enter a section. In composed sections, if one school already has three teams entered in a section then they are not eligible to enter a combined team with any other school in that section. Pupils may wear the costume of one school or a combination of schools. Teams are to be listed under the names of the schools but combined e.g., Brown/Green.
2. Under-age competitors may dance in a higher age group, if necessary to complete a team, provided they are not entered in their own age group, in that dance. The reverse does not apply e.g., the dancer may dance up in a 9-13 years 6-Hand, but not dance in the under 9 6-Hand as well.
3. Commission Book – Figures to be danced by TOP COUPLE ONLY
4. Should a dancer of a figure dance be unable to take part at the time of the competition. A replacement may be permitted to dance. The teacher is responsible for notifying the City of Sails committee. An emergency is defined as an event which happens within seven days immediately preceding the first day of competition.
5. Adult Ceili section entrants must be dancers who are graded as Adult A or Adult B.
